**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a business owner and having broadband options is critical to my business I do, especially when I'm working from home. We chose a competitor provider because the historic ones were terrible, poor customer service, bad connections and low speeds. Sonic allows us to have the high speed we need and they are awesome in customer service.
